

## HES 224 – Drugs, Behavior, & Society

### Attendance & Participation

For each class you will be required to attend prepared and be ready to contribute to the discussions and class activities.

Each class is worth 10 points.

Arriving late or departing early is a deduction of 3 points.

There are a total of 20 class days (not including day 1). You may have one absence (for whatever reason) that won't count against you (it will be dropped). Therefore, the total points for attendance and participation is 190 points.

#### Grading Rubric

9 – 10 pts	Arrives on time, participates in group and class discussions. Asks and/or answers questions. Attentive and engaged (taking notes...not distracted by mobile device/laptop). Attends entire class period.
8 pts	Present entire class period. Engaged in group discussion. Taking notes. Doesn't participate in full class discussion by contributing, such as offering answers, questions, ideas, or input.
7 pts	Tardy or leaves early. Distracted (or distracting) during class time. Doesn't participate in full class discussion by contributing, such as offering answers, questions, ideas, or input.
6 pts or less	Tardy and leaves for extended period of time during class. Not actively engaged in class material.
